POSITIVE PROFIT ALERT

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of International Genius Company (the “Company”, together with its subsidiaries, the “Group”) wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 31 December 2024 (the “Reporting Period”), the Company is expected to record a profit before tax ranging from approximately HK\$4 million to HK\$5 million for the Reporting Period as compared to a loss before tax of approximately HK\$20.7 million for the six months ended 31 December 2023.

The expected turnaround from a loss before tax for the six months ended 31 December 2023 to a profit for the Reporting Period was primarily attributable to the contribution of the tech-driven investment management business segment during the Reporting Period since the acquisition of Deep Neural Computing Company Limited in March 2024.

The Company is still in the process of finalizing its interim results for the Reporting Period. As such, the information contained in this announcement is only based on the Board’s preliminary review of the unaudited consolidated management accounts of the Group for the Reporting Period and the information currently available, which have not been audited or reviewed by the Company’s auditors and the audit committee of the Board.

The actual financial results of the Group for the Reporting Period may differ from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the announcement of the Company in relation to the interim results of the Group for the Reporting Period, which is expected to be published on 28 February 2025 in accordance with the Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
